**JULY 15, 2017**

## **Raceway Park of the Midlands, Pacific Junction, Iowa**

Greetings open track enthusiasts! The Mustang Club of Central Iowa and the Mustang Club of America would like to invite you to the Raceway Park of the Midlands (RPM) on July 15, 2017, for some high speed fun!

This High Performance Driving Event (HPDE) will allow you to experience the thrill of driving your car at speed, in a controlled and safe environment. If you have never attempted this before, don't worry. Experienced instructors will be available free of charge to help novices get started.

Saturday will be high speed open track. 20-minute sessions will commence after the drivers meeting. Expect 5-6 sessions. Many drivers wish to record lap times to compare from year-to-year, so timing transponders will be available if you desire. Times will be posted throughout the day to keep track of your sessions.

For those that are able to come a day early, the track will be available on Friday as well for just an additional \$50 (afternoon) or \$80 (full day). Friday will be green-flag touring without timing. You can stay out as long as your fuel and brakes allow!

MAM's photographer will also be on hand Saturday, so if you'd like you will be able to purchase a shot of your car at speed to hang on your home or office wall.

Please take note of the special early registration pricing. There is a significant savings for registering before the July 1st deadline. We have again held firm on our pricing, despite the fact that costs continue to increase. Also please take note of the **revised helmet requirements** detailed in the General Rules. This may affect some of you with older helmets.

We are happy to say that on-track insurance is again available for purchase. Lockton Affinity has agreed to cover our event. Contact them at [www.locktonmotorsports.com](http://www.locktonmotorsports.com) if interested.

Raceway Park of the Midlands is conveniently located along Interstate 29 at the Glenwood exit, approximately 15 miles south of Interstate 80 near the Omaha/Council Bluffs metro area. The Omaha area has many attractions to offer, including the Henry Doorly Zoo, Rainforest, Aquarium and IMAX theatre, Strategic Air Command Museum, the Omaha Royals baseball team, Bluffs Run greyhound track and casino, Harvey's Casino, Ameristar Casino, the Old Market shopping and dining district, and many others. Bring the whole family to MCCI@RPM for an enjoyable weekend in the heartland!

Online registration available at [www.clubregistration.net](http://www.clubregistration.net)

4:00 PM - 6:00 PM Early arrival, registration and tech at the track.

### Saturday, July 15

7:00 AM Gates open at the track  
7:00 AM - 9:00 AM Registration  
7:00 AM - 9:00 AM Tech Inspection at the track. Late arrivals needing tech will be handled as inspectors become available.  
8:00 AM Mandatory Drivers Meeting  
9:00 AM HPDE Begins  
12:00 noon - 1:00 PM Lunch Break  
1:00 PM HPDE Resumes  
5:00 PM Track Closes

### **General Rules**

Cars will be divided into groups at tech. We will divide the entrants up into run groups of similar abilities. We will have run groups for raw beginners up to the pros, so be assured you can come and enjoy the track with drivers of similar skills. This is an opportunity for you to drive your car at speed, in a safe, controlled environment. This is not a competitive event. Safety is our paramount concern. Instructors will be available for first-timers.

All cars must pass tech inspection. Tech will be available at the track on Friday, July 14<sup>th</sup>, from 4-6 PM. Tech will also be available at the track on Saturday, July 15<sup>th</sup> from 7:00 AM- 9:00 AM. In addition, early pre-event tech will be held at Stivers Ford in Waukee, Iowa, at 7:00 PM on Wednesday, July 12<sup>th</sup>. Contact Doug Hammond at 515-249-5221 or [dshammond@q.com](mailto:dshammond@q.com) to sign up for early tech. If you can make one of the early tech sessions, it will help to reduce the lines at the track.

When you arrive at tech, you and your car should be in ready-to-run condition. You are responsible for the condition of your car. Fill out the tech form beforehand and check off each area as you inspect it. Remove all loose items from the trunk, passenger compartment, etc. Bring the helmet you will run. Insurance regulations dictate that all helmets must meet Snell SA2010 or SA2015 specs. **WE WILL NO LONGER ACCEPT SNELL 2005 RATED HELMETS.** There will not be any helmets to borrow. You must bring your own. Tech inspection will include, but is not limited to, the following items: Battery hold

down, throttle return spring(s), suspension wear and play, brakes, tires, fluids, radiator catch can, seatbelts, helmet, and no loose articles in car. Any in-car cameras/video cameras must be securely mounted. No hand held in-car cameras will be allowed. Roll bars are required for convertibles. No open-wheel cars or motorcycles allowed. A single adult passenger will be allowed, with the appropriate helmet and seat belts. Exact tech requirements will be mailed to you with your confirmation packet upon receipt of your registration.

Drivers meetings are mandatory. Each driver will receive a wristband indicating that they have been to the drivers meeting. No driver will be allowed onto the track without the appropriate wristband. This is not a racing event. Please note that any damage done to the facility, any of its parts, to other drivers or their cars and property, is your responsibility. Let's be careful out there. You are financially responsible for any damage you may cause.

Drivers must be at least 18 years old and have a valid driver's license.

Car numbers will be assigned on a first-come, first-served basis upon receipt of payment. Payment must accompany registration to reserve your number and spot. Numbers must be at least 8 inches high, and must be visible on each side of your car by corner workers. "Taped" numbers are acceptable.

Early Registration Deadline is July 1<sup>st</sup>, 2017. Payment must be received or postmarked by this date or the late registration fee will be assessed. Register early to ensure you have a spot. The event will be held rain or shine. We have already rented the track, so we will use it.

No cash refunds will be issued after July 1<sup>st</sup>, 2017. We may, however, choose to grant you credit for use at next year's event. Refund requests received in writing, on or before July 1<sup>st</sup> will be honored and charged a \$20.00 fee to cover administrative costs.

When we receive your registration form and payment, we will send you a detailed confirmation packet, along with a car number and hotel info. Room reservations must be made directly with the hotels. If you have any questions, please contact one of the following people:

Doug Hammond	(tech inspection & requirements)	515-249-5221	<a href="mailto:dshammond@q.com">dshammond@q.com</a>
